

Holly D. Ben-Joseph, Landscape Architect

RESUME

PROFESSIONAL EXPERIENCE

Holly D. Ben-Joseph, Landscape Architect Concord, MA **January, 2005-present**

Founder/Principal

Projects include parks and public spaces, multi-family housing, educational and early childcare yards of multiple scales and streetscapes. Most work encompasses a range of design services from initial planning stages, design development, construction documents to construction observation and management.

Johansson Design Collaborative Inc. Lincoln, MA **1999- 2005**

Senior landscape architect and project manager in a firm specializing in sensitive design and community input process in designing of public parks, schoolyards, daycare centers and multi-family housing. Managed several of award winning projects, from schematics to construction documents and construction administration.

Hill Studio Roanoke, Virginia **1995 to 1998**

Landscape Architect and Project Manager on a wide variety of urban and rural projects in a multi-disciplinary firm with deep connections to the Blue Ridge Mountain region and community.

Rich Seyfarth Landscape Architect Oakland, CA **1991 to 1994**

Team member in a small landscape firm that focused on community design and affordable housing. Gained excellent management and design skills while working closely with principal of the firm.

BNBJ Landscape Architecture and Planning Tel-Aviv, Israel **1987 to 1991**

Gained valuable insight and familiarity of Middle East design issues and detailing while working as a team member on large scale housing and municipal projects, schools and recreational facilities.

ALP Designers, Inc. Tokyo, Japan **1985 to 1987**

As part of the design team in this multi-cultural firm, gained valuable experience of Japanese design processes and construction techniques.

RDI &A, Inc. Del Mar, CA **1983-1984**

Working closely with a firm principal providing landscape architectural services for high quality commercial, office, open space systems and housing developments in San Diego County.
